

From Parking to Transit

Your Complete Smart City Mobility Solution

Commuters use a mix of transportation options to get where they are going.

ParkMobile and REACH NOW bring together a complete mobility solution for smart cities. This creates a seamless experience as people park at a transit station and get their ticket for the train or bus.

Why ParkMobile + REACH NOW?

Merge parking and transit ticketing in one app

Reduce hardware costs

Provide commuters with an easier experience

Eliminate paper transit tickets

Shorten lines at the ticket counter or kiosk

Offer customers innovative payment options
