

ParkMobile®

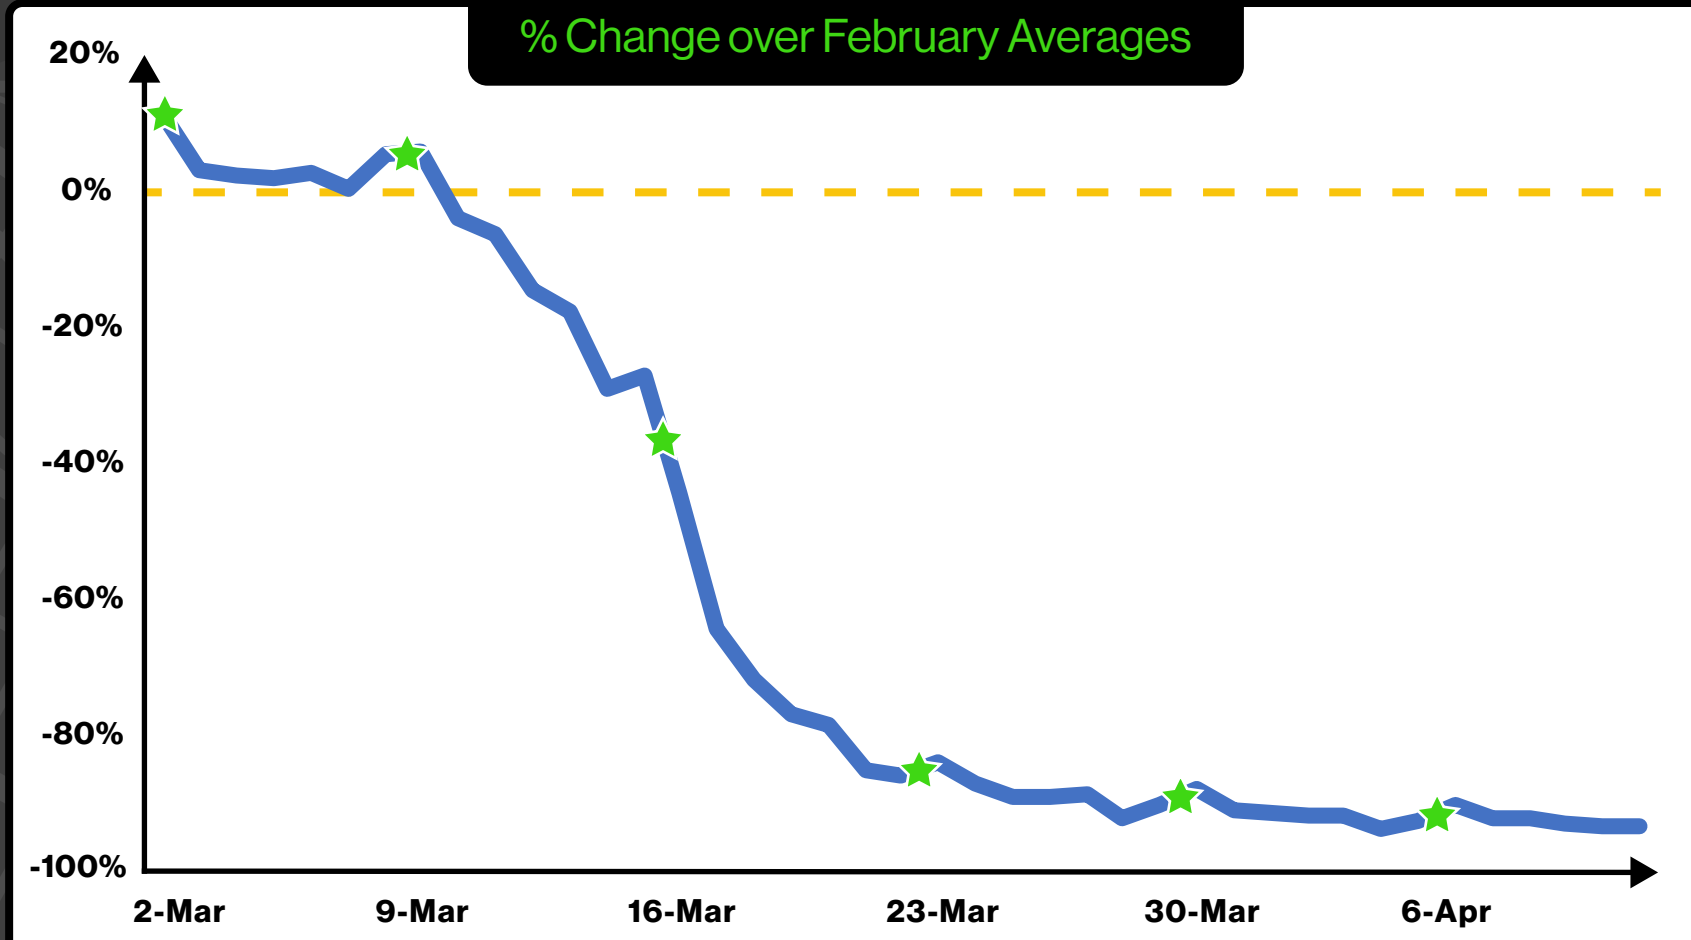

A Smarter Way to Park

Parking transactions dropped sharply as COVID-19 spread and states shut down.

CHART #1

Transactions

% Change over February Averages

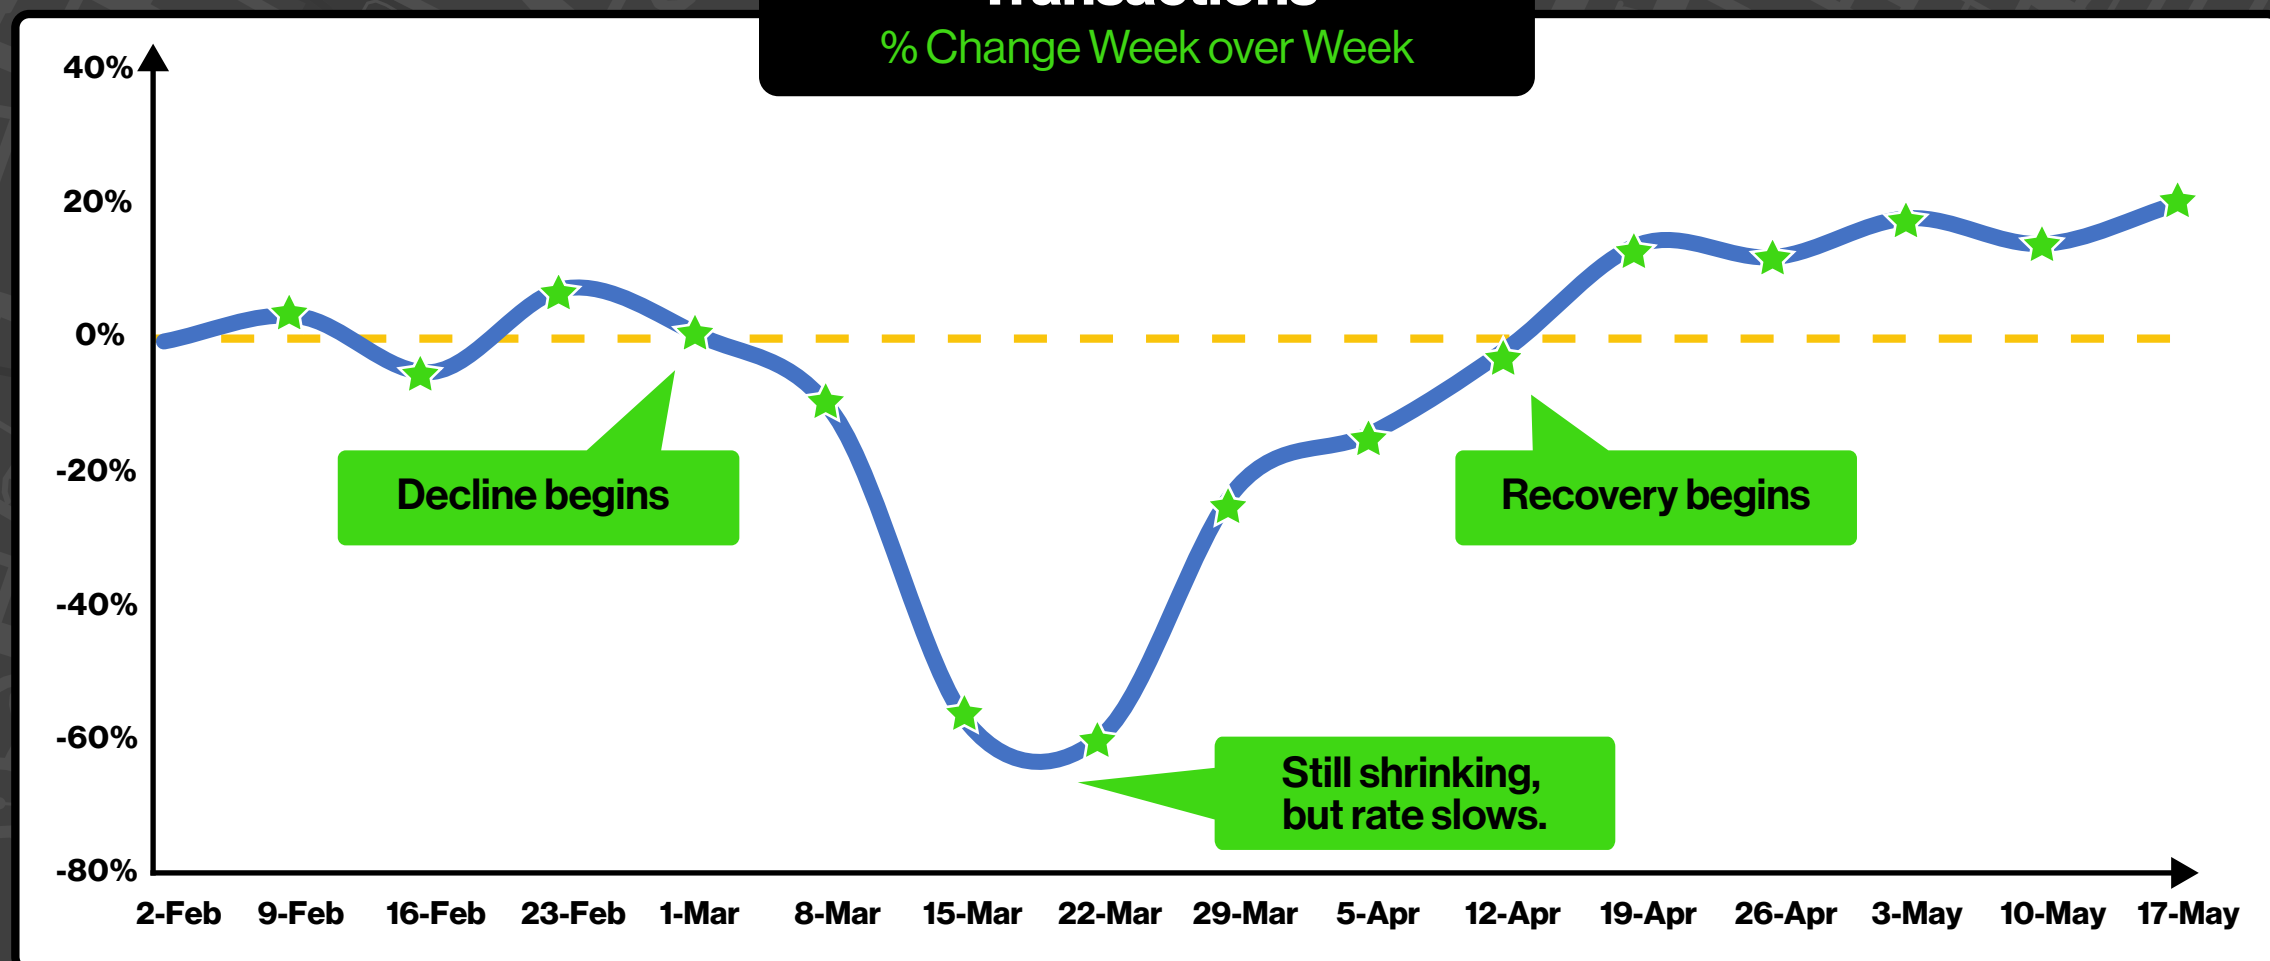

In mid-April parking transactions begin to increase week-over-week.

CHART #2

Transactions

% Change Week over Week

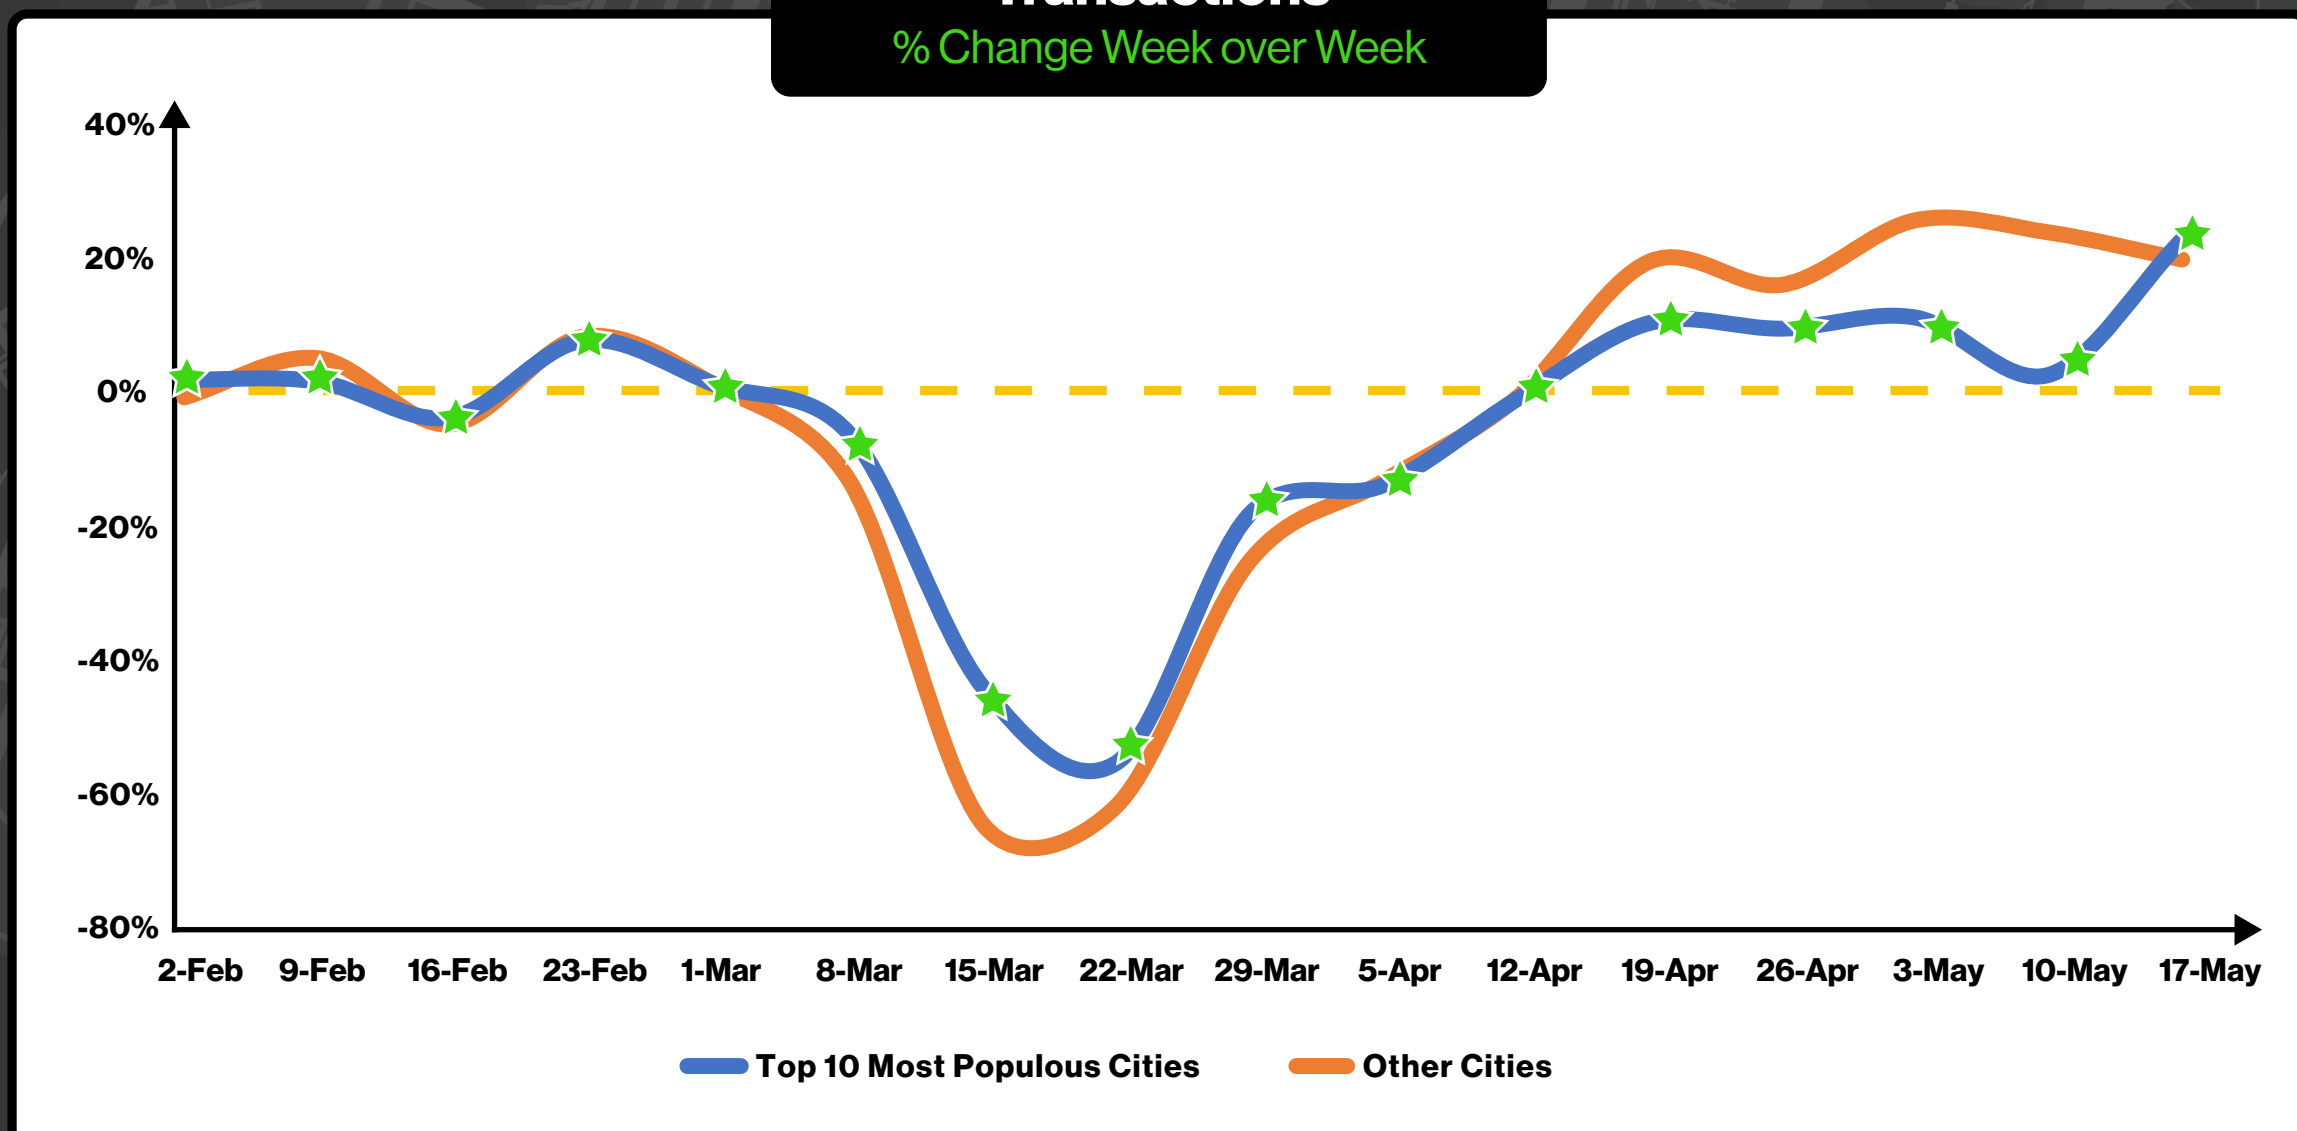

Recovery of the large cities has been flatter than smaller cities.

CHART #3

Transactions

% Change Week over Week

Beach communities are seeing faster growth than other locations.

CHART #4

Transactions

% Change Week over Week
